## ABOUT THE CAMP EXPERIENCE

This camp is designed to get you ready for the upcoming youth football season. We will share new techniques and skills that will help you and your team have a successful season. Basic offensive and defensive skills, such as blocking and tackling, will be taught and worked on daily. Individual and team football concepts will be emphasized along with instilling team building throughout the camp. This is a **non-contact football camp**. We will help you get into better shape and be prepared for the upcoming season. Kicking is also a skill that will be taught for those who prefer that position. There will be a punt, pass, and kick contest at the end of camp. A big emphasis will be placed on having fun.
